A message from our principal

Hola,

On behalf of our staff, we would like to offer a warm welcome back to all students and families of WPPS for 2017. We are looking forward to working together with you in 2017 to grow and learn.

Newsletter

Our newsletter is published every two weeks on a Friday. Our newsletter is the main source of communication for our school and I urge everyone to read it regularly. Hard copies are sent home to families each fortnight. Electronic copies are published on the School website, Parent Portal and School App. Limited copies are also available from the school office.

Enrolments and Staffing Update for 2017.

Currently we have 380 students enrolled at WPPS for 2017. Our students have been allocated to 19 classrooms for 2017. In 2017 we also have Spanish, Art and Physical Education classes. We welcome the following teachers for 2017 to WPPS

Mrs Claire Govan – Leading Teacher
Ms Sharon Narayan – Graduate Teacher
Mr Dale Palmer – Physical Education
Mr Andrew O’Brien – Maintenance person
Mr Adam Kyd – classroom teacher is also returning to WPPS for 2017.

School Assembly

Whole school assemblies will again occur at 8.55am on Mondays at the flagpole (weather permitting). Parents and community are encouraged to attend assembly to see students receiving awards, hear news and announcements and to sing the national anthem.

A reminder that everyone starts school at 8.55am and finishes at 3.10pm. Parents please ensure you arrive at school before 8.55am to maximize the beginning for the school day. The start of the day is when the day of learning is outlined and activities begin. Students can often become anxious if they are late, as entering the classroom when the students and teachers have begun the day is disruptive to their learning and often interrupts the learning of others. We have a yard duty teacher on duty from 8.30am before school and from 3.10-3.30pm in the afternoon. At 3.30pm all students whose parent or guardian is not on the school grounds will report to the office until parents arrive for pickup.

Again this year, teachers will be in classrooms from 8.45am if parents and/or students need to quickly clarify or discuss their child’s learning. This will provide a window of opportunity for parents to see teachers in the classrooms and ensure that traffic in and around the staffroom/office area is minimised. For longer discussions, it is recommended that you book an appointment to discuss your child’s learning at another more suitable time. Please note that when the music plays/bell rings staff are required to begin teaching.
Information Nights (all year levels)
The Parent Information night and welcome to new families’ will be held on Thursday 16th March. During this session teachers will be presenting information on classroom structures & processes, curriculum, homework and other important information. Sessions will run for approximately 30 mins. We encourage parents to attend to ensure everyone has a clear understanding of the year ahead.

Sun Smart
With the hot weather and summer conditions, it is important for us all to be wary of the sun and the UV rays. We have a school sun smart policy, which can be found on the school website. Remember students need to be wearing a hat during breaks and P.E. classes during term 1 & term 4.

CCTV at WPPS
During 2016 and over the summer break our school experienced ongoing vandalism in the form of broken windows and facilities. As a result of this ongoing damage the Department of Education determined that our school required CCTV monitoring in the hope of discouraging and preventing repeated damage. As a result of this decision CCTV cameras have been installed throughout the school. The cameras cover the entire school yard and buildings (there are no cameras inside buildings or classrooms). These cameras are linked back to the Departments security services to allow them to quickly respond to alarm activations or window damage. I believe this is an outstanding result for our school as the cost of the CCTV system was in excess of $22,000 and will hopefully save the school the cost of repairing damaged windows.

School Camping Program for 2017
In 2016 The WPPS School Council agreed to suspend the 2017 Camping program to allow us to review our current programs (grade 3&4 and Grade 5&6 camps) and camping policy. We believe our camping programs need to meet the educational focus of our students and be timed in such a way that maximised the content and cost to parents. Throughout the year we will be seeking your input into this program with the intention of resuming the camping program in 2018 at more appropriate locations and times.

School Council Elections for 2017
Attached to this newsletter you will see information regarding the school council elections for 2017. School councils play a key role in Victorian government schools. Participating as a school council member is a rewarding and challenging experience. The school council supports the principal to provide the best possible educational outcomes for students. If you would like to find out more about the role of school council please feel free to come and see me. Nomination forms for the elections are available from the office.
I hope you have enjoyed the start of the new school year and look forward to seeing you at the school throughout the year.
Kind regards,
Laban Toose

FIRST AID UPDATES

To ensure your child receives prompt and effective care it is important that we have the correct details.

ARE YOUR PERSONAL AND EMERGENCY CONTACT DETAILS UP TO DATE?
DOES YOU CHILD HAVE ALLERGIES or ASTHMA?
HAVE YOU PROVIDED THE SCHOOL WITH AN UP TO DATE ASTHMA or ALLERGY PLAN?
IS THE SCHOOL AWARE OF FOOD RESTRICTIONS FOR YOUR CHILD? (eg: Halal, Vegetarian, Allergy)

You can update your details by using the school website, email, sending a note with your child or by dropping into the office.
The 3/4 Learning Community have settled in well back at school for 2017. During week 1 and 2 we have been familiarising ourselves with the 2017 SWPBS matrix and getting back into school routines.

We have also been learning how to co-operate and work together in a team. Here are some pictures of us creating cup pyramids using just string and rubber bands. We had to communicate clearly and work collaboratively to get...

WHAT IS THE WPPS COMMUNITY HUB?

The Wyndham Park Primary School Community Hub is situated upstairs in the green building. Our Community Hub provides learning opportunities for families and the wider community.

Research tells us that our students will perform better at school if their family members are involved in activities and programs within the school. The Hub is supported by The Smith Family who work in partnership with three schools in Wyndham forming the Wyndham Schools Community Hub (WSCH): Wyndham Park Primary School, Manor Lakes P-12 College and Our Lady of the Southern Cross Primary School. The main goal of The Smith Family’s WSCH project is to improve outcomes for students and families by connecting with organisations that can offer new learning opportunities.

International evidence is emerging that strong school-community partnerships can contribute to a diverse range of outcomes including:

- improved academic performance and school attendance
- reduced student behavioural problems
- increased parental confidence regarding their role in their child’s education
- increased community resources being available for the school
- increased use of school facilities by the wider community

WPPS COMMUNITY HUB NEWS

Welcome to 2017.

We have a lot of great learning opportunities this term at our school Community Hub (upstairs above the school office). Please see the program and enrolment form attached to this newsletter. If you are interested in joining any of the programs please complete the enrolment form and return it to the school office (places are limited to some programs.) I will contact you as soon as possible to confirm your attendance.

We currently have four playgroups, all families are welcome to attend:

- Monday VICSEG 10:00-12:30
- Tuesday VICSEG 10:00-12:30
- Thursday IPC 9:30-11:00
- Friday WCEC 9:30-11:30

For more information please contact me.

Every Wednesday and Thursday afternoon from 2:10-3:10 I am available to assist parents in supporting their children’s learning at home. We sometimes share mathematics games, reading strategies and suitable apps for learning. You are welcome to drop in for a cup of tea or coffee and a chat. DahMoo our Karen Multicultural Aide is also available on Wednesday afternoons. We can help you with things such as understanding and completing school forms and answer any questions you may have about school.

The Smith Family are offering Learning for Life Scholarships to eligible families. The information form is attached to this newsletter. If you are eligible and would like to apply please ask for a referral form Jenni at the office or myself.
The Smith Family Learning for Life Scholarship program helps create better futures for children by providing:

- financial assistance from a sponsor to help families afford the cost of their child’s education;
- support from a Family Partnership Coordinator to connect the child and their family to local learning opportunities and other supports; and
- access to Smith Family educational programs to help children get the most out of their school years.

Eligibility Criteria:

- in possession of a Health Care Card or Pension Concession Card
- attend Wyndham Park Primary School
- Have regular attendance (90% and above)
- Receive a referral through the school

Kristy Gray is the Family Partnership Coordinator for Wyndham Park Primary School. Kristy is available this term every Thursday afternoon in the hub from 2:00pm-3:00pm. If you need any scholarship support or have questions please call in and visit Kristy.

We have a Karen Language Learning Club every Wednesday after school 3:10-4:10 run by our Multicultural Education Aide DahMoo and volunteers from The Werribee Baptist Church. Students receive support with reading, writing and speaking in Karen.

Tuesday evenings we have Fit Club from 6:15-7:30pm and Sunday morning 8:45am Box Fit, a boxing circuit, lots of fun and an amazing workout.

We are currently planning more after school, evening and weekend activities for 2017.

If you have any skills you could share with us OR any ideas for programs you would like to see please let me know. I am at school every Tuesday, Wednesday and Thursday or you can contact me by phone or email.

Sleep – essential for life and learning

We spend around a third of our lives asleep; it’s a time when our bodies do lots of growing, repairing and restoring. The early years of life are a peak period for growth and development, and quality sleep is essential.

Supporting kids to get the amount of sleep and the sort of quality sleep they need can help them to be healthier and happier.

You may not be in the homes of the children you teach at bedtime, but you do see the results when children do not get the sleep they need. Educators can help children and their families to learn about the importance of sleep and to put in place some simple steps to support good quality sleep.

Sleep follows standard patterns

We all cycle between deep sleep and light sleep during the night.

In deep sleep, essential hormones for growth and development are released and the blood supply to our muscles increases. It is very hard to wake someone when they’re in this cycle. In light sleep, our breathing and heart rate are irregular and our body is still. This is also the time when we dream.

The amount of deep sleep and light sleep we need changes with age. Full-term newborns will spend about half of their time in light sleep. By the time children are three, that is reduced to around a third; and by the time they are 13 it’s about 20 per cent.

The length of time spent in each sleep cycle also changes over time. For babies, each cycle will last between 30 and 50 minutes, and these cycles get longer as we get older. In adulthood and adolescence, the cycles last about 90 minutes.

Getting good quality sleep

Lots of different things can make sleep difficult: children can feel anxiety and worry, or they might only fall asleep with a particular person nearby, or with the television on.

Establishing a good bedtime routine and sleep habits is known as sleep hygiene. For children to get the quality sleep they need for learning and development, encourage parents to:

- set up a good bedtime routine with a consistent bedtime and a regular wake time
- keep the child’s bedroom media free, that means no TV, portable DVD player or other handheld gaming or smartphone device
- avoid caffeinated drinks for children. If children do drink caffeinated drinks (that includes cola and Milo-type drinks), avoid them after 3pm.

How much sleep do kids need?

At different ages, we need different amounts of sleep. Take a look at the graph on this page. You might be surprised by how much sleep the average child needs for healthy development.

A bad night’s sleep can happen for lots of reasons. When children consistently get poor quality sleep, or less sleep than they need, it can have a serious effect on their ability to get the most out of each day in terms of play and learning.

Who should attend?
Any parents with their preschool aged children

What will it include?
Fun activities to do with your children
Meet other parents
Guest speakers

What is it about?
Harmony Children's activity group is a time for parents to play with their children and meet other families.
