A MESSAGE FROM OUR PRINCIPAL TEAM

Buenos Dias

Thank you

Thank you to all the teachers and parents that supported our students in their learning for the first half of term 3….yes I did say first half!, it is week 5 next week. I think it is incredible how fast this term is going. Every year I hear amazing stories about how articulate and honest students are when talking about their learning. These include their achievements and also the challenges faced in their classrooms. It’s important for our students to reflect, and also take control of their learning. As always, if you have any concerns or questions regarding your child’s learning please do not hesitate to contact the school to make an appointment.

School activities in term 3

There are a lot of school based activities happening this term across all year levels and I encourage you to check out the calendar (in the newsletter and website) or like us on Facebook to keep abreast of everything that is happening. Of particular note is the

- Current grade 34 camp,
- Scholastic Book Fair from the 17th - 21st August,
- Book week from the 24th – 28th August, with a visiting Author Ms Corinne Fenton
- Fathers Day Stall on the 3rd & 4th of September
- Family Fun Day on the 5th September
- Cybersmart week ( including the ICT Cybersmart fair )from the 14th – 18th September and;
- Footy Colors day on the last day of term.

Woolworths Earn and Learn

The school is participating in this program, so please collect your stickers after you visit a Woolworths store and place them in the box outside the office. The school will then be able to purchase resources for the classrooms from Modern Teaching Aids.

Breakfast Club

A very big thank you to both the Werribee Rotary and Wyndham Rotary for their very generous donations of $600 to support our Breakfast club. Approximately 50 students every day take part in our breakfast club which helps them to be ready to learn throughout the day.

WPPS fundraising

You will see in this week’s newsletter that we have two very exciting fundraising opportunities currently running at WPPS. A very big thank you to the parents on the school fundraising committee for their ongoing efforts.

Kind regards and Hasta Pronto!

### Aspirations

I joke that Arthur will be Prime Minister of Australia but he says he is going to be a blood doctor. He is trying to say hematologist. I want him to be happy and do what he wants, not be led by other people.

Ann-marie Pitman
Mother of Arthur Prep

As a teacher, daughter, mother, individual and pet owner, one aspiration is to encourage our students to celebrate and embrace and consider their own and others’ uniqueness, and to enjoy the process of developing skills to be lifelong learners, demonstrating respect, responsibility and safety, aspiring them to contribute to their community and live a happy and fulfilling life.

LEARNING TOGETHER

How can you help your child with learning at home?

Come and join us every Wednesday afternoon in the Community Hub upstairs at 2.10pm.
If you would like to join these programs please see Louise at the Hub upstairs.

READING BUDDY VOLUNTEERS

Would you like to help by reading with our Prep students?

Reading to and with children helps them to develop a love of reading. It helps them understand the world around them, develops their vocabulary and motivation to read.

Volunteers play a vital role in supporting the school's literacy program. Research show that children who are immersed in language and literature rich environments are like to achieve at a higher level in all areas than those who aren't.

In other words: KIDS WHO READ, SUCCEED!

We are inviting parents and community members to come and share in the learning by reading to and with students at school.

If you would like to volunteer and read with our Prep children please contact,

Louise 0422906133 or speak to Jenni at the Office.
