A message from our principal team

Hello everyone,
Hola!

What a wonderful fortnight it has been at WPPS. The sun has been shining and our fantastic school has been enjoying the good weather. I have included an Aerial Photo of the school taken last week. I think you would agree that our school looks wonderful from that angle. It is a credit to our whole community that the school looks so clean and tidy. It is also a credit to our School Council and Roland the maintenance person, that the grounds and building are so well looked after.

CURRICULUM DAY REMINDER:

This Monday, 2nd November, is NOT a Curriculum Day. The school will be open as usual with all students expected to be at school.

The next Curriculum Day is the 30th of November. This is a student free day and the school will be closed for the day.

Please remember that Tuesday 3rd November (Melbourne Cup Day) is a public holiday, therefore there will be no school.

PLANNING FOR 2016

We are currently starting our planning for 2016. If you are not returning in 2016, can you please let the office know so we can finalise our planning and have adequate staff?

We welcome parents input in helping us know their child as learners. Therefore, if you are returning in 2016 and need to communicate any educational needs about your child for next year, please put it in writing addressed to the Principal and marked confidential.

Your information or request should focus around your child’s learning and social needs. This is not a request for teachers such requests cannot be accommodated.

Kind regards
Laban Toose
Principal

**Wyndham Park Primary School Community Aspirations**

To succeed in my dreams of becoming a childcare teacher, and to show my children that you can do anything in life if you put your mind to it!

Carol McCormack
Mother of Jiordani

To have a positive influence on the future of my students and to be a life long learner alongside them.

Sarah Janetzki
Art Teacher
Did you know your child’s best learning time is the start of the school day?

“Young children who regularly miss school or are late for the start of the school day will often continue to miss classes in the later years, and receive lower test scores than their classmates.”

Education Department calculations show missing just 10 minutes of class a day equates to almost 1½ weeks of lost learning time over a year or almost six months over a child’s entire school life.
A WYNDHAM PARK WELCOME

SWPBS student welcome morning tea.
On Thursday our student leaders welcomed our newest students to Wyndham Park Primary School with a delicious morning tea.
They explained to our new students our school values of respectful, responsible and safe and other details of our school, they were able to answer any concerns or questions the students had.
Wyndham Park Primary School
You’ve got talent!

What a lot of talented people work at Wyndham Park Primary School.

Mrs White does beautiful papercraft. She made the clothes with trimmed paper.

Mrs KB does applique, she is making a sheep quilt.

Ms Pyke also does applique and she is also making a quilt.

Who else has talent?
Who will be featured in our next newsletter?
If you would like to join these programs please see Louise at the Hub upstairs.
