Announcing the launch of our school app

We're very pleased to inform you that our school has implemented a phone app called Udat-ed that will make connecting with you so much more convenient. To download the app just visit the App Store for iPhones or Google Play for Androids. Search for Udat-ed and from the menu select our school. We'll receive your registration request and will need to approve you before your app is up and running.

The app's great for sending out alerts and reminders with one of its best features being the ability to save events directly into your phone's calendar.

We hope you enjoy being Udat-ed.
