June 2021

Dear Wyndham Park Primary School Families,

As we continue to refine and enhance the programs and opportunities we provide for our students and families, we have gone a thorough Tender process to implement an Outside of School Hours Care Program at our school. As a result of this process we have made the decision to appoint TeamKids as our provider for Before, After *and* Holiday Care. They will begin operation of their Before and After Care at the start of Term 3 on the 12th July. The holiday program will commence during the Spring holiday period.

The program will be run out of our Community Hub.

We are confident that the partnership that we now have with TeamKids will benefit all students and families at our school.

Unique to the industry, TeamKids will employ a qualified **full-time co-ordinator**, known as a Director of Service, at our school.

The Director of Service has two overarching responsibilities, and that is to:

1. Implement age-appropriate experiences that are engaging and fun, but also create learning environments that are warm, unique and stimulating, a place where children don't have to go, they want to go.
2. Ensure consistency of staff, provide an exemplary level of communication with the children and parents and build a strong, genuine relationship with the school and the broader community.

In addition to this, TeamKids have set a new standard in the OSHC space in their offerings that:

- Build parental and student confidence through the quality of outstanding programs and communication.
- Create child-led programs that enrich and extend the children in meaningful ways as their TeamKids Clubs.
- Establish long-lasting relationships with our school by having complete community engagement, enhancing what already makes our school special.
- Provide industry-leading educator-to-student ratios of 1:10.

Further information will be supplied in the coming weeks with information events to be announced and family handbooks supplied to all members of the community.

All families will need to register **for free** with TeamKids.

If you have **not** used TeamKids before then you will need to register your child and add your bookings.

Please go to the website www.teamkids.com.au and select the program and follow the enrolment instructions.

If you have used TeamKids before, please contact their Customer Service Team and they will link your account. You will then just need to add your desired bookings.

TeamKids' local Customer Service team is always there to help. Please contact their Customer Service team via email info@teamkids.com.au or phone 1300 035 000, press #1 if you have any questions.

Yours faithfully,

Laban Toose
Principal
