

WPPS is a School-wide Positive Behaviour Support (SWPBS) school. SWPBS is an evidence-based framework for preventing and responding to student behaviour. It aims to create a positive school climate, a culture of student competence and an open, responsive management system for all school community members. It includes analysis of data in professional learning teams, implementation of evidence based practices and organisational systems for establishing safe, purposeful and inclusive school and classroom learning environments while providing the individual behaviour and learning supports needed to achieve academic and social success for all students. Our SWPBS values are **SAFE, RESPONSIBLE & RESPECTFUL.**

Our Social & Emotional Learning (SEL) program at WPPS is known to the students as SWPBS lessons. It actually incorporates Respectful Relationships, **BSEM** Berry St Educational strategies and curriculum and SWPBS data driven content. Our students are very engaged in these lessons and enjoy learning about themselves and each other.
